

Africa I come (Florian Ostertag)

I know I know, this is not gonna go anywhere at all
and that you kissed me or at least missed me
is something you left to my fault
but please, please don't stop smiling at me
cause I can't bear the thought
that you dont really mean this
please, please let me think you are thinking of me, of me

you're probably tired of seeing me dying
everytime I sing a song
its all kind of useless and it makes me even
a bit more depressed than I already am

and you have to tell me if I am annoying
cause I can still move to africa

And if you dont mind then please, please don't stop
smiling at me,
cause i cant bear the thought that you don't love me at all
please, please let me think you are thinking of me, of me

dadadada, dadadada, da da da

Aller Herren Länder (Heinz Rudolf Kunze)

Winde werden rauher
Welen schäumen Wut
Nur ums nackte Leben
Nicht um Hab und Gut
Bleiche Ausgesetzte
Klammern sich ans Boot
Draußen treiben Hände
Ab in höchster Not
Bringen wir das fertig
Ist die Arche voll

Weiß hier keiner was
Man tun und lassen soll
Du wirst nie zuhause sein
Wenn du keinen Gast
Keine Freunde hast
Dir fällt nie der Zauber ein
Wenn du nicht verstehst
Dass du untergehst wie alle Menschenschänder
In aller Herren Länder
Draußen vor der Festung
Bis zum Horizont
Lagern sie und warten
Näher rückt die Front
Grollende Kanonen
Angst in ihrem Blick
Hunger reckt die Arme
Nirgends geht's zurück
Aufmerksam die Wachen
Kalt und konsequent
Selbst schuld wer den Schädel
Gegen Mauern rennt
Du wirst nie zuhause sein
Wenn du keinen Gast
Keine Freunde hast
Dir fällt nie der Zauber ein
Wenn du dich verschließt
Nur dich selber siehst
Wir sind nichts Besonderes
Hatten nur viel Glück
Auserwählte kriegen halt das
Größte Kuchenstück

Campagne Supernova (Oasis)

How many special people change?
How many lives are livin' strange?
Where were you while we were getting high?
Slowly walkin' down the hall

Faster than a cannonball
Where were you while we were getting high?
Someday you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Someday you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova in the sky
Wake up the dawn and ask her why
A dreamer dreams she never dies
Wipe that tear away now from your eye
Slowly walkin' down the hall
Faster than a cannonball
Where were you while we were getting high?
Someday you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Someday you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova
'Cause people believe
That they're gonna get away for the summer
But you and I, we live and die
The world's still spinnin' 'round, we don't know why
Why, why, why, why
How many special people change?
How many lives are livin' strange?
Where were you while we were getting high?
Slowly walkin' down the hall
Faster than a cannonball
Where were you while we were getting high?
Someday you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Someday you will find me
Caught beneath the landslide

In a champagne supernova
A champagne supernova
'Cause people believe
That they're gonna get away for the summer
But you and I, we live and die
The world's still spinnin' 'round, we don't know why
Why, why, why, why
Na, na, na

How many special people change?
How many lives are livin' strange?
Where were you while we were getting high?
We were getting high

Don't look back in anger (Oasis)

Slip inside the eye of your mind
Don't you know you might find
A better place to play
You said that you'd never been
But all the things that you've seen
Slowly fade away
So I start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out
And so Sally can wait
She knows it's too late
As we're walking on by
Her soul slides away
But don't look back in anger
I heard you say
Take me to the place where you go
Where nobody knows
If it's night or day
But please don't put your life in the hands

Of a rock and roll band
Who'll throw it all away
I'm gonna start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside 'cause summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
'Cause you ain't ever gonna burn my heart out
And so Sally can wait
She knows it's too late
As she's walking on by
My soul slides away
But don't look back in anger
I heard you say
So Sally can wait
She knows it's too late
As we're walking on by
Her soul slides away
But don't look back in anger
I heard you say
So Sally can wait
She knows it's too late
As she's walking on by
My soul slides away
But don't look back in anger
Don't look back in anger
I heard you say
At least not today

Du bist das Licht (Gregor Meyle)

Immer wenn wir glauben, dass wir angekommen sind
Immer wenn wir funkeln, wie die Augen eines Kindes
Immer wenn wir stolz sind auf uns selbst
Uns ein schwerer Stein vom Herzen fällt
Immer wenn wir Liebe in uns spüren, sehen wir das Licht.
Immer wenn wir glauben, dass es keinen Weg mehr gibt
Immer wenn die Wahrheit unsere Hoffnung fast besiegt

Immer wenn der Schmerz die Herzen trifft
Unsere ganze Welt zusammenbricht
Immer wenn die Wut das Licht erstickt, sehen wir es nicht
Wenn all das was vor dir liegt auf einmal 'nen Sinn ergibt
Dann scheint durch die Dunkelheit am Ende das Licht
Denn du bist das Licht
Manchmal brauchen wir 'n bisschen Zeit um zu verstehen
Oder sind wir nur noch nicht bereit den Weg zu gehen.
Es genügt ein Funke für den Brand
Zu oft wird zuviel von dir verlangt
Warum hast du es noch nicht erkannt? Du bist das Licht!
Wenn all das was vor dir liegt auf einmal 'nen Sinn ergibt
Dann scheint durch die Dunkelheit am Ende das Licht
(Oh-Ho!)
Denn du bist das Licht
Es brennt in uns ein Leben lang
Macht sichtbar, wer wir wirklich sind
Und glaubst du nichts mehr irgendwann,
Geh wohin dein Herz dich bringt!
Wenn all das was vor dir liegt auf einmal 'nen Sinn ergibt
Dann scheint durch die Dunkelheit am Ende das Licht
Du siehst so schön aus, wenn du lachst
Oder wenn du vor Glück weinst
Deine Augen
Leuchten
So funkelnd
(Oh!)
Dann sehen wir das Licht!
(Mh!)
Am Ende das Licht!

Friedenslied (Dota Kehr)

Wir kennen den Krieg nur aus Geschichten
und aus Filmen, Reportagen von weit her.
Dass man auch hier Waffen baut, dass Generäle tagen;
dass Gefahrt droht - daran dachten wir kaum mehr.
Die die am Krieg verdienen, die ihn woll'n,
sind nicht die, die darin sterben.

Sie bringen den Stein des Krieges ins Rollen,
bringen Leid und Verderben.
Doch die Menschen, die den Frieden woll'n
sind in der Überzahl, überall,
die den Frieden woll'n, überall.
Die Menschen, die den Frieden woll'n
bringen über kurz oder lang die Kriegstreiber zu Fall.
Kein Mensch hat das Recht zu gehorchen und blindlings
Befehle auszuführ'n,
wissend oder ahnungslos ins Feuer geschickt.
Ich wünschte, alle würden desertier'n.
Und da sind die, die mutig protestier'n,
während ein Herrscher gewaltvoll Grenzen verschiebt.
"Hier werdet ihr belogen!" steht auf dem Plakat
Keiner kann verhindern, dass es sie gibt:
die Menschen, die den Frieden woll'n
in der Überzahl, überall,
die den Frieden woll'n, überall.
Die Menschen, die den Frieden woll'n
bringen über kurz oder lang die Kriegstreiber zu Fall
Untereinander vernetzt wie noch nie zuvor durch Millionen.
Verbindungen wissen wir längst.
Nationalismus wird sich nie lohnen.
Die Hitze und die Dürre, die nächste Pandemie werden nicht
unterscheiden nach Nationen.
Es betrifft uns gemeinsam, weil wir den gleichen Planeten
bewohnen
als Menschen, die den Frieden woll'n
in der Überzahl, überall,
die den Frieden woll'n, überall, überall

Hymn (Barclay James Harvest)

Valley's deep and the mountain's so high
If you want to see God you've got to move on the other side
You stand up there with your head in the clouds

Don't try to fly you know you might not come down
Don't try to fly, dear God, you might not come down
Jesus came down from Heaven to earth
The people said it was a virgin birth
Jesus came down from Heaven to earth
The people said it was a virgin birth
The people said it was a virgin birth
He told great stories of the Lord
And said he was the savior of us all
He told great stories of the Lord
And said he was the savior of us all
And said he was the savior of us all
For this we killed him, nailed him up high
He rose again as if to ask us why
Then he ascended into the sky
As if to say in God alone you soar
As if to say in God, alone we fly
Valley's deep and the mountain's so high
If you want to see God you've got to move on the other side
You stand up there with your head in the clouds
Don't try to fly you know you might not come down
Don't try to fly, dear God, you might not come down
Valley's deep and the mountain's so high
If you want to see God you've got to move on the other side
You stand up there with your head in the clouds
Don't try to fly you know you might not come down
Don't try to fly, dear God, you might not come down

Ikonen (Max Prosa)

Ich erinnere mich noch oft daran,
Wie ich mit dir unter Sternen lag
Du suchtest uns den schönsten aus,
Irgendwie schien er uns so nah.
Da warn all die Wolken wilde Schafe
Und jeder Traum war ein Elefant

Der uns bis Marokko trug
Kopf an Kopf und Hand in Hand
Und du sagst wir sind Ikonen
Einer längst vergangenen Zeit
Und wie gut dass wir uns fanden,
So sind wir schonmal zu zweit,
Und nicht allein.
Und unser Traum brach bald zusammen,
Wir wollten nur immer noch schneller sein.
So tanzen wir die letzte Kür
Wieder barfuß im Sternenschein
Und du sagst.
Jetzt laufen zwei Ikonen
Einer längst vergangenen Zeit
Wieder einzeln durch den Irrwald
Und unser Stern, er sieht so aus,
Als ob ers nicht verzeiht

Knocking on heaven's door (Bob Dylan)

Mama, take this badge off of me
I can't use it anymore
It's gettin' dark, too dark to see
I feel like I'm knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door

Mama, put my guns in the ground
I can't shoot them anymore
That long black cloud is comin' down
I feel like I'm knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door

Lucky man (The verve)

It's life, it's life, it's life
It's life, it's life, it's life
It's life, it's life, it's life
Happiness, more or less
It's just a change in me, something in my liberty
Oh, my, my
Happiness, coming and going
I watch you look at me, and watch my fever grow
And I know just where I am
But how many corners do I have to turn?
How many times do I have to learn
All the love I have is in my mind?
But I'm a lucky man
With fire in my hands
Happiness, something in my own place
I'm stood here naked, I smile and I feel no disgrace
With who I am
Happiness, coming and going
I watch you look at me, watch my fever grow
And I know just who I am
And how many corners do I have to turn?
How many times do I have to learn
All the love I have is in my mind?
I hope you understand
I hope you understand
Oh yeah
You know, you know, you know, you know
You know, you know, you know, you know
Got a love that'll never die, no, no (you know, you know)
Happiness more or less
It's just a change in me, something in my liberty
Happiness, coming and going
I watch you look at me, watch my fever grow
And I know

Oh, my, my
Oh, my, my
Oh, my, my
Oh, my, my, my, my, my
We got a love that never dies
I got a love that'll never die
No, no
And I love you, man
Yeah
It's just a change in me
Something in my liberty (don't think, don't, don't think I'm lying)
It's just a change in me
Something in my liberty (don't think, don't think I'm lying, I'm
trying)
It's just a change in me
Something in my liberty
Oh, my, my
Oh, my, my
It's just a change in me, something in my liberty
Oh, my, my, my, my, my, my (yeah, yeah, yeah, yeah)
I said oh, my, my, my, my, my

Mad World (Gary Jules)

All around me are familiar faces
Worn out places, worn out faces
Bright and early for the daily races
Going nowhere, going nowhere
Their tears are filling up their glasses
No expression, no expression
Hide my head, I wanna drown my sorrow
No tomorrow, no tomorrow
And I find it kind of funny
I find it kind of sad
The dreams in which I'm dying
Are the best I've ever had
I find it hard to tell you

I find it hard to take
When people run in circles it's a very, very
Mad world, mad world
Children waiting for the day they feel good
Happy birthday, happy birthday
And I feel the way that every child should
Sit and listen, sit and listen
Went to school and I was very nervous
No one knew me, no one knew me
Hello, teacher! Tell me, what's my lesson?
Look right through me, look right through me
And I find it kind of funny
I find it kind of sad
The dreams in which I'm dying
Are the best I've ever had
I find it hard to tell you
I find it hard to take
When people run in circles it's a very, very
Mad world, mad world
Enlarging your world
Mad world

Ode to my family (The Cranberries)

Doo doo doo do, doo doo doo do
Understand the things I say
Don't turn away from me
'Cause I've spent half my life out there
You wouldn't disagree
Do you see me, do you see?
Do you like me
Do you like me standing there?
Do you notice, do you know
Do you see me, do you see me?
Does anyone care?
Unhappiness where's when I was young
And we didn't give a damn

'Cause we were raised
To see life as fun and take it if we can
My mother, my mother
She'd hold me
She'd hold me when I was out there
My father, my father
He liked me, well he liked me
Does anyone care?
Understand what I've become
It wasn't my design
And people everywhere think
Something better than I am
But I miss you, I miss
'Cause I liked it
'Cause I liked it
When I was out there
Do you know this, do you know
You did not find me
You did not find
Does anyone care?
Unhappiness where's when I was young
And we didn't give a damn
'Cause we were raised
To see life as fun and take it if we can
My mother, my mother
She'd hold me
She'd hold me when I was out there
My father, my father
He liked me, well he liked me
Does anyone care?
Does anyone care?
Does anyone care?
Does anyone care?
Does anyone care?
Does anyone care?
Does anyone care?
Does anyone care?
Does anyone care?
Doo doo doo do, doo doo doo do

Time to wonder (Fury in the Slaughterhouse)

We've got time to wait
And we wait until it's too late
We always move in seconds in a world of hours and days
We've got bones and blood
Is this all what we've got
I thought there was a brain but maybe I just thought in vain
And this is not the time to wonder
And this is not the time to cry
And this is not the time to sleep while we fight
And this is not the time to die
Realities and dreams
Reality is not what it seems
It's not the way we want it it's just the way it gotta be
We've got love and hate
But we can't estimate
What's the right solution to kill the illusion of this world
And this is not the time to wonder
And this is not the time to cry
And this is not the time to sleep while we fight
And this is not the time to die
And this is not the time to wonder
'Cause this is just a time to fear
Don't worry about the meaning don't worry 'bout the world
It's the question how to see clear
That's the time
That's the time
That's the time
Oh yes that's the time
We've got time to wait
And we wait until it's too late
We always move in seconds in a world of hours and days
We've got bones and blood
Is this all what we've got
I thought there was a brain but maybe I just thought in vain

And this is not the time to wonder
And this is not the time to cry
And this is not the time to sleep while we fight
And this is not the time to die
And this is not the time to wonder
'Cause this is just a time to fear
Don't worry about the meaning don't worry 'bout the world
It's the question how to see clear
That's the time, oh, oh
That's the time, oh, oh
Go
And this is not the time to wonder
And this is not the time to cry
And this is not the time to sleep while we fight
And this is not the time to die
And this is not the time to wonder
'Cause this is just a time to fear
Don't worry about the meaning don't worry 'bout the world
It's the question how to see clear
Oh this is not the time to wonder
And this is not the time to cry
And this is not the time to sleep while we fight
And this is not the time to die
That's the time

The times they are a-changin' (Bob Dylan)

Come gather 'round people
Wherever you roam
And admit that the waters
Around you have grown
And accept it that soon
You'll be drenched to the bone
If your time to you is worth savin'
And you better start swimmin'
Or you'll sink like a stone
For the times they are a-changin'

Come writers and critics
Who prophesize with your pen
And keep your eyes wide
The chance won't come again
And don't speak too soon
For the wheel's still in spin
And there's no tellin' who
That it's namin'
For the loser now
Will be later to win
For the times they are a-changin'
Come senators, congressmen
Please heed the call
Don't stand in the doorway
Don't block up the hall
For he that gets hurt
Will be he who has stalled
The battle outside ragin'
Will soon shake your windows
And rattle your walls
For the times they are a-changin'
Come mothers and fathers
Throughout the land
And don't criticize
What you can't understand
Your sons and your daughters
Are beyond your command
Your old road is rapidly agin'
Please get out of the new one
If you can't lend your hand
For the times they are a-changin'
The line it is drawn
The curse it is cast
The slow one now
Will later be fast
As the present now
Will later be past
The order is rapidly fadin'

And the first one now
Will later be last
For the times they are a-changin'

The power of love (Frankie goes to Hollywood)

I'll protect you from the hooded claw
Keep the vampires from your door
Ay, ay, ay, ay
Feels like fire
I'm so in love with you
Dreams are like angels
They keep bad at bay, bad at bay
Love is the light
Scaring darkness away, yeah
I'm so in love with you
Purge the soul
Make love your goal
The power of love
A force from above
Cleaning my soul
Flame on, burn desire
Love with tongues of fire
Purge the soul
Make love your goal
I'll protect you from the hooded claw
Keep the vampires from your door
When the chips are down I'll be around
With my undying, death-defying love for you
Envy will hurt itself
Let yourself be beautiful
Sparkling love, flowers
And pearls and pretty girls
Love is like an energy
Rushin' an' rushin' inside of me, eh
The power of love
A force from above
Cleaning my soul

Flame on, burn desire
Love with tongues of fire
Purge the soul
Make love your goal
This time we go sublime
Lovers entwine, divine, divine
Love is danger, love is pleasure
Love is pure, the only treasure
I'm so in love with you
Purge the soul
Make love your goal
The power of love
A force from above
Cleaning my soul
The power of love
A force from above
A sky-scraping dove
Flame on burn desire
Love with tongues of fire
Purge the soul
Make love your goal
I'll protect you from the hooded claw
Keep the vampires from your door

The Drugs don't work (The Verve)

All this talk of getting old
It's getting me down, my love
Like a cat in a bag, waiting to drown
This time I'm coming down
And I hope you're thinking of me
As you lay down on your side
Now the drugs don't work
They just make you worse but I know I'll see your face again
Now the drugs don't work
They just make you worse
But I know I'll see your face again

But I know I'm on a losing streak
As I pass down by your street
And if you wanna show, then just let me know
And I'll sing in your ear again
Now the drugs don't work
They just make you worse
But I know I'll see your face again
'Cause baby, oh
If heaven falls, I'm coming too
Just like you said
You leave my life, I'm better off dead
All this talk of getting old
It's getting me down, my Lord
Like a cat in a bag, waiting to drown
This time I'm coming down
Now the drugs don't work
They just make you worse but I know I'll see your face again
'Cause baby, oh
If heaven falls, I'm coming too
Just like you said
You leave my life, I'm better off dead
But if you wanna show
Then just let me know and I'll sing in your ear again
Now the drugs don't work
They just make you worse but I know I'll see your face again
Yeah, I know I'll see your face again
Yeah, I know I'll see your face again
Yeah, I know I'll see your face again, oh, Lord
Yeah, I know I'll see your face again, oh, Lord
I'm never coming down now, I'm never coming down
No more, no more, no more, no more, no more

Visionen von Marie (Max Prosa)

Du sagtest: "Komm los, die Welt ist ein Floß und wir sind längst groß", wollten schnell noch viel größer sein
Frei und für uns allein

Aber irgendwas meint, dass das alles nur so einfach scheint.
Dann hast du geweint und gedacht:"Es bleibt immer die
Eitelkeit"

CHORUS:

So ein großer Wahn, so ein schlechter Plan und es fängt von
vorne an
Und es endet nie, zu viel Fantasie in den Visionen von Marie

Wir machen Rast in den Ruinen eines Palasts, ich mal' einen
Plan für die Ewigkeit mit Kreide auf dein Kleid
Dann packt dich die Angst, dass es nicht rausgeht, rennst
schnell wie du kannst zum nächsten Brunnen, willst alles
rauswaschen-dann wars nur Illusion

CHORUS

Verlassen am Strand, sehn' wir hier endet erschlossenes Land,
sehn' wir hier endet die Reise;
Die Schritte werden klein
Wohin mit dem Mut?
Hinein in die Träume, sie wachsen so gut. Groß und lebendig
stehn' sie beständig und wir komm nicht voran

So ein großer Wahn, so ein schlechter Plan und es fängt von
vorne an
Realität macht nie Platz für Fantasie und die Visionen von
Marie
Realität macht nie Platz für Fantasie und die Visionen nach
Marie

Zeit Zu Leben (Reinhard Mey)

Ein Haus und Sicherheit
Ein Ring in Ewigkeit
Ein Mensch der immer bleibt

Vernunft für alle Zeit
Wovor haben wir nur so viel Angst?
Ein Lächeln das nicht stimmt
Ein Blick der nichts beginnt
Die Hand, die nur noch nimmt
Und Zeit die schnell verrinnt
Wovor haben wir nur so viel Angst?
Und der Wind fegt all die Blätter fort
Und der Tod ist mehr als nur ein Wort
Denn nichts bleibt, nichts bleibt, nichts bleibt
Kein Ring, kein Gold, kein Leid
Nichts bleibt, nichts bleibt, nichts bleibt
Es wird Zeit zu Leben, endlich Zeit
Zeit zu leben
Mein Pass sagt mir "ich bin"
Das Konto sagt "ich hab"
Die Fotos und das Kind zeigen ich war immer da
Alles was ich habe, gehört mir
"Nichts als Schmerz" sagt die Angst
"Nichts als Angst" sagt der Schmerz
"Halt es fest" sagt der Kopf
"Lass es los" sagt das Herz
Und die Liebe sagt leise: "Jetzt und hier"
Und der Wind fegt all die Blätter fort
Und der Tod ist mehr als nur ein Wort
Denn nichts bleibt, nichts bleibt, nichts bleibt
Kein Ring, kein Gold, kein Leid
Nichts bleibt, nichts bleibt, nichts bleibt
Es wird Zeit zu Leben, endlich Zeit
Zeit zu leben, endlich Zeit
Es wird Zeit zu Leben, endlich Zeit
Zeit zu leben, endlich Zeit
Zeit zu leben
